---

Starting at Vivriti was a real learning curve for me. At first, I knew the basics, but there's a lot to grasp in real-world scenarios. My manager has been a great mentor, guiding me every step of the way. With her by my side and the team's support, I've grown more confident in my role and look forward to new challenges every day.

## What sets Vivriti apart as a brand?

---

It's the people and the environment. At Vivriti, everyone's like family. We celebrate each other's wins and support everyone through challenges. And the team activities here help us bond and have fun. The camaraderie here isn't just about work; it's about building lasting relationships.

## How has working in Vivriti Capital been different?

---

It's been a whole new experience! The team is friendly and always ready to help. The work keeps me engaged, and I appreciate that I can share my thoughts with the senior team. Here, there's always room to learn and grow. Plus, the collaborative spirit means we're always brainstorming and coming up with innovative solutions.

## How can Vivriti help scale up your journey?

---

Working on various projects has widened my perspective. I get to see the bigger picture, from legal to risk factors. Collaborating with experts outside our team has been invaluable. I'm excited about what's ahead and see Vivriti as a stepping stone. With the diverse opportunities here, I'm confident in my path forward.
