

If you could switch jobs with any fictional character, who would it be and why?

I would like to switch jobs with Miranda Priestly, played by Meryl Streep in the movie *The Devil Wears Prada*, because I can have good connections with fashion moguls across the globe and of course have access to luxury designer outfits and accessories!

If you had to pick a theme song for our office, what would you choose and why?

I would choose the song "Hall of Fame" considering how Vivriti Group has come a long way since its inception and has achieved that recognition over the years.

If you could have a superpower just for office hours, how would you use it?

Teleportation, because being in this role involves connecting with multiple stakeholders at different places and I believe that in-person communication always works better than remote communication.

If you were to describe your job in emojis, which ones would you pick and why?

 -researching on debt capital market products

 -preparation of reports

 -interaction with multiple internal and external stakeholders

What's your secret to always staying focused and motivated?

Flat hierarchy, friendly colleagues, approachable and amicable leaders, and healthy work environment have enabled me to stay focused and motivated.
