- 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 52 of the of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). - 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters to the extent applicable.

Auditor's responsibility

- 5. We have not performed an audit, the objective of which would be the expression of an opinion on the financial statements, specified elements, accounts or items thereof, for the purpose of this report. Accordingly, we do not express such an opinion.
- 6. Pursuant to the request from management and as required by the Regulations, we are required to provide a limited assurance on whether anything has come to our attention that causes us to believe that the Company has not accurately extracted the particulars furnished in the Statement from the unaudited financial statements / information, underlying unaudited books of account and other relevant records and documents maintained by the Company for the half year ended 30 September 2023, has not maintained required security cover, has provided incorrect details of value of receivables / book debts in the Statement, has not complied with the covenants (as set out in the Statement) as per the requirements of DTDs in relation to all listed NCDs issued during the half year ended 30 September 2023 / outstanding as at 30 September 2023, and whether the computation of security cover ratio in the Statement is not arithmetically accurate.
- 7. For the purpose of this report, we have planned and performed the following procedures; **Part**

A: Security cover

- (a) Obtained a list of receivables (loans and investments) pledged as collateral / security against the outstanding listed NCDs as at 30 September 2023;
- (b) Verified the computation of security cover as at 30 September 2023, prepared by management, as specified in the format given under SEBI/HO/MIRSD/MIRSD_CRADT/CIR/P/2022/67 dated 19 May 2022;
- (c) Traced all the amounts relating to assets and liabilities (as set out in the Statement) to the unaudited financial statements/ financial information as at 30 September 2023, unaudited books of account and other relevant records and documents maintained by the Company and verified the arithmetical accuracy of the numbers in the Statement;
- (d) The Company prepares a separate statement containing identified receivables (loans and investments) earmarked to each NCD holder as at 30 September 2023 for onward submission and the same was provided to us by the management for our verification. However, the mapping of earmarked receivables (loans and investments) towards each NCD are not maintained in the system. We compared the total loan / investment security cover as computed by the management in the aforementioned Statement with the loan / investment balance in the unaudited books of account as at 30 September 2023;
- (e) On a sample basis, verified the details of the outstanding amount and assets required to be maintained as collateral for each series of the listed NCDs from the underlying unaudited books of account and other relevant records and documents maintained by the Company as at 30 September 2023;

Part B: Value of receivables / book debts (Loans and Investments)

Verified, on a sample basis, outstanding amount of NCDs as at 30 September 2023 and the value of receivables (loans and investments) hypothecated from the underlying unaudited books of account and other relevant records and documents maintained by the Company for the as at 30 September 2023;

Vivriti Capital Limited (formerly known as Vivriti Capital Private Limited)
Page 3 of 4

Part C: Compliance with covenants

- a) Obtained from management, a list of applicable covenants (as set out in the Statement), extracted from the 'Covenants' section of respective DTDs. Management has confirmed that the covenants listed in the Statement are extracted from all DTDs for all listed NCDs issued during the half year ended 30 September 2023/ outstanding as at 30 September 2023.
- b) Against each of the applicable covenants (as set out in the Statement), obtained the status of compliance with such covenants as at 30 September 2023 from management.
- c) On a sample basis, traced the covenants in the Statement to the respective DTDs to test their accuracy; and
- d) Verified on sample basis the compliance with the covenants set out in the Statement.
- 8. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.
- 9. We conducted our examination in accordance with the 'Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) ('the Guidance Note') issued by the ICAI. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
- 10. We have complied with the relevant applicable requirements of the Standard on Quality Control ('SQC') 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Conclusion

- 11. Based on our procedures performed as mentioned in paragraph 7 above, information and explanation given to us and representations provided by the Company, nothing has come to our attention that causes us to believe that, in all material aspects:
 - a. the Company has not accurately extracted the particulars furnished in the Statement from the unaudited financial statements / information, underlying books of account and other relevant records and documents maintained by the Company for the half year ended 30 September 2023;
 - b. the Company has not maintained required security cover;
 - c. the Company has provided incorrect details of value of receivables / book debts (loans and investments) in the Statement;

 - e. the computation of the security cover ratio in the Statement is not arithmetically accurate.
